SPARKLING WINES | ESPUMANTE

GLS | BTL

BODEGA CRUZAT CLASICO BRUT NV

LUJÁN DE CUYO, MENDOZA, ARGENTINA

14.5 | 55

This is Cruzat's flagship wine. The grapes are sourced from estate grown Pinot Noir and Chardonnay vines at more than 1,000 meters elevation. Produced following the traditional method, starting with an initial fermentation and 12-month storage in stainless steel tanks, followed by a 2nd fermentation and 12-month bottle storage on its lees. A fresh young wine with outstanding floral and fruity aromas over a foundation of toasty fruit flavours which grants it distinguished quality and personality. Bright acidity holds everything together well. Pairs well with seafood.

WHITE WINES | VINOS BLANCOS

GLS | BTL

2016 TERRA ANDINA SAUVIGNON BLANC

VALLE CENTRAL, CHILE

10 | 35

This wine is crisp and thoroughly refreshing. Expect floral notes and a bright, citrusy quality. It goes great with fresh seafood, dishes with a little spice and a dinner party at Chan Chan with friends... whichever comes first.

2014 LA VUELTA CHARDONNAY

MENDOZA, ARGENTINA

10 | 35

A refreshing break from the over-oaked club. Fermented and aged in stainless steel tanks, this wine features bright scents of green apple and white peach, which are repeated on the palate. The finish is fresh, crisp and seamless.

2016 AMALAYA BLANCO TORRONTES RIESLING BLEND

CALCHAQUI VALLEY, SALTA, ARGENTINA

13 | 40

This is what happens when super-skilled winemakers take two grapes and combine them to perfection... This Torrontés is produced in one of the highest wine growing regions of the world, 1,800 meters above sea level. The Amalaya winemakers took this grape, which is sweet on the nose but dry to the taste, and masterfully blended in a hint of Riesling to tame the flavour and bring out the delicious, uplifting aromas of flowers, pineapple and fresh ginger. Crisp, zesty and complex with succulent pink grapefruit and lime flavours. This wine will leave you wanting more! Pairs beautifully with citrusy and spicy flavours, all kinds of seafood, white meat and Asian inspired dishes.

2015 JED PINOT GRIGIO

UCO VALLEY, ARGENTINA

13.5 | 45

From the über- cool climate of Argentina, this is not a flimsy PG. It has a bit more body than most pinot grigio styles. Perhaps a bit more gris than grigio. The wine displays aromas of fleshy stone fruits, hints of honey and slatiness. The palate is a little bit fruity with a lovely silky mouthfeel. But the feature is the crisp, crunchy acidity that drives the flavour and freshens the dry finish.

2013 AMAYNA BOYA CHARDONNAY

LEYDA, SAN ANTONIO VALLEY, CHILE

50

This chardonnay is just lip smackingly delicious! Grown and made only 14 km from the Pacific Ocean, it is a perfect example of superb cool climate Chardonnay. Pale straw in colour, intense aromas of white pear, apple, tropical fruit and hints of fresh lemon. The wine "feels" round and very soft. The palate is well balanced with natural acidity and good minerality. Fresh and way too easy to drink. Good match with marinated fish and white meats.

2013 MENDEL SEMILLON

ALTAMIRA, LA CONSULTA, SAN CARLOS ARGENTINA

60

80-year-old vines at 1100 m above sea level. On the nose fresh, elegant and intense. Hints of herbal, fresh notes and citrus notes, some typical Semillon like white flowers and honey. Some oak notes such as coconut and soft vanilla aromas appear from the 15% of the wine that ferment in new French oak. It is a good combination of fresh, sweet aromas and minerality, that finishes in an elegant and complex white wine. The wine has a very fresh mouth feel and well balanced acidity. On the palate it's similar to the nose: citrus and tropical fruit, some coconut and caramel. It is a very dense wine, elegant, soft and velvety with a persistent end.

ROSÉ WINE | VINO ROSADO

GLS | BTL

2016 LUIGI BOSCA LA LINDA MALBEC ROSADO

MENDOZA, ARGENTINA

10 | 35

La Linda Rosé Malbec is a rosé with violet hues. The lively and expressive nose is reminiscent of red fruits (strawberries, plums) with subtle floral notes. Fresh, cool and medium-bodied on the palate, it gives way to clean floral and red fruit flavours. Excellent acidity, delicate finish and savory.

RED WINES | VINOS TINTOS

GLS | BTL

2015 LUIGI BOSCA LA LINDA MALBEC

MENDOZA, ARGENTINA

10 | 35

La Linda Malbec is a bright violet red. The nose expresses the typical aromas of this varietal: red fruits, like cherries and blackberries, layered with spicy and delicate floral notes. This wine expands on the palate with fruity flavours, while delivering a full-bodied and silky texture. Ripe tannins and balanced acidity. A varietal of excellent tipicity and modern style. Elegant, well-structured and rich.

2015 LA VUELTA CABERNET SAUVIGNON

MENDOZA, ARGENTINA

10 | 35

Ruby red to plum in colour. On the nose, some leather and smokiness, framed by pleasant minty tones. On the palate, this is a surprisingly fresh red with a medium to long finish due to a good acid/ tannin balance.

2015 WILLIAM COLE MIRADOR PINOT NOIR

CASABLANCA VALLEY, CHILE

13 | 39

With the cool evenings and warm afternoons, the Casablanca Valley is vast becoming one of the world's elite wine making regions. Displaying beautiful medium soft deep red and dark fruits. On the nose are notes of bright red fruits like strawberries, black tea and hints of clove without overpowering tannins and an acidity level that keeps a true grittiness of a delicate wine. This is extremely easy drinking!

2013 NUEVO MUNDO ORGANIC CARMENÈRE

ISLA DE MAIPO, CHILE

13.5 | 45

Fresh, vividly black-fruited red. Produced from organically grown grapes, this product is fully certified as Carbon Neutral. Only 30% in French oak following fermentation while the rest was kept in stainless steel before bottling. The grapes are picked at their optimum ripeness for an aromatic, fresh and balanced wine, showing all the potential of its terroir. On the nose blackberries, prune and green pepper, a hint of spice and a touch of sweetness from the oak. A full-bodied red with a soft, round finish.

2016 CRIOS MALBEC DE SUSANA BALBO

VALLE DE UCO, MENDOZA ARGENTINA

14.5 | 49

Crios Malbec has a beautiful reddish/purple colour as most good Malbec's do. The aromas are a mix of freshly crushed black cherries and toasty/smoky oak—just enough to frame the exuberant fruit. On the palate, the flavours of cherries and spice are obvious, and the jammy fruit quality just keeps coming on strong, with hints of spice and sandalwood lurking in the background. The grapes for the 2016 Crios Malbec are sourced exclusively in the Valle de Uco and Lujan de Cullo Gualtallary Sur to be precise. The wine matured in French oak barrels for nine months. A “drink-me, drink-me” style of Malbec.

2010 PIZZORNO DON PRÓSPERO CABERNET SAUVIGNON ROBLE

CANELONES, URUGUAY

49

Full-bodied and velvety. This typical cab sauv is dark, oaky and minty on the nose with scents of fresh-cut wood. Sweet fruit compliments ripe, red fruit aromas, which carry onto a medium weight palate. It is soft, elegant and incredibly drinkable, and has this very moreish character.

2014 VIÑA AQUITANIA RESERVA SHIRAZ

MAIPO VALLEY, CHILE

55

Intense ruby violet colours, with reflections of bright purple hues. Aromas of mulberry and redcurrant dominate the nose the freshness bringing out the peppery spiciness. Although the start of the palate is fresh there are sweeter flavours in the middle all still very red fruit in character. There is a sweeter feel towards the back but the finish has all the black pepper and spice found on the nose. The palate is very soft, velvety tannins and the purity of the fruit really shows through. A beautiful wine crafted of 100% Syrah (Shiraz) from Chile's Maipo Valley, famous for producing stunning red wines.

2014 BODEGA GARZON TANNAT

GARZÓN, URUGUAY

55

The 2014 Tannat has the classic flavours of a cooler year; beautiful aromas of raspberry and red cherry followed by delicious flavours of black plum, rhubarb and tobacco mixed with dark chocolate and white pepper. It has a silky mouthfeel, with flavours of black plums, dark chocolate, again pepper and other spices with juicy and lively tannins. It has a beautiful balanced energy to the wine as the vineyards start to age. Ideal wine to serve with duck, red meat and grilled foods.
